I/We understand that we are committing to one full school year of enrollment and agree to pay annual tuition whether in full or as payments. For example, a minimum of 11 post-dated checks or one annual non-refundable payment in full is required at time of registration when paying by check, or cash payment for 50% of tuition with the remainder due split between Nov 15 and Feb 15 payments. If a child withdraws or is removed from the community anytime I/we understand that we remain liable for the annual tuition amount whether for family withdrawal or suspension by LIFT Schoolhouse.

I/We understand that if the school does not receive payment of tuition on or before the date it is due, a fee of \$25 per reminder is added to account. I/We understand my/our child cannot attend until full payment is received, including late fee. I/We understand that if a student is withdrawn or suspended there will not be a refund issued and tuition costs remain the same whether student attends or not. LIFT Schoolhouse, LLC maintains the right to disenroll a student(s) at any time according to our handbook.
